**Local Businessman Named Ernst & Young Entrepreneur Of The Year®
2007 Award Finalist**

**— *Integrated Mobile Founder, Greg Pugh, Named Finalist for the
Second Year in a Row* —**

Columbus, OH – May 9, 2007 – Integrated Mobile announced today that its Founder and Chief Development Officer, Greg Pugh, has been named a Finalist in the Ernst & Young Entrepreneur Of The Year® 2007 Award program for the South Central Ohio & Kentucky region.

The Ernst & Young awards program is designed to recognize outstanding entrepreneurs on a regional, national and global level who are building and leading dynamic and growing businesses. A panel of independent judges reviewed more than 100 nominations and selected Pugh as one of three finalists in the "Technology" category. Judges will announce award winners on June 28th during a banquet at the Cincinnati Duke Energy Center.

"We are delighted that Greg has been recognized by such a prestigious organization," said Jay Highley, Integrated Mobile President and CEO. "Greg is passionate about the emerging managed mobility solutions arena and about building a great company. Greg is a forward-thinking leader with an entrepreneurial spirit and unwavering commitment to our clients, which has helped us to become the leader in the wireless managed services marketplace."

The Ernst & Young Entrepreneur Of The Year awards program, which celebrates its 21st anniversary this year, honors entrepreneurs who have demonstrated excellence and extraordinary success. Areas of interest include innovation, financial performance, and personal commitment to an entrepreneur's business and community. Regional award winners are eligible to become national Ernst & Young Entrepreneur Of The Year award winners, which will be announced at the annual awards gala in Palm Springs, California on November 15th -18th.

About Integrated Mobile

Integrated Mobile is the leading provider of managed mobility services having served customers that represent more than 25 percent of the Fortune 1000. Founded by a former IT consulting executive who observed first hand the administrative chaos and burgeoning costs his corporate clients were experiencing in providing wireless capabilities to their employees, Integrated Mobile purpose-built a web-based portal and services to help businesses gain control of their wireless assets and costs. Today, Integrated Mobile offers a full suite of managed mobility solutions and services and the Company's revenue base has grown rapidly since its founding.

Headquartered in Columbus, OH, Integrated Mobile is a leading managed wireless services company that uses Six Sigma methodology to globally deliver a proven, end-to-end management solution for the enterprise's entire wireless lifecycle, including device fulfillment and configuration, training, asset management, bill optimization, reporting and 24/7 end-user support. The Integrated Mobile Managed Mobility Solutions package helps businesses reduce their total cost of wireless ownership by 20-40%, provides a single point of contact for all wireless services across multiple carriers, improves the overall quality of administrative and end user support — all while simplifying the management of wireless devices and services.
